Interpretation: - The descriptive question was asked to the students about to Give three observation / suggestions to improve the overall teaching – learning experience in your institution. Followings are some suggestions given by the students.

- Professors always encouraged us to participate in extra curricular & co-curricular activities.
 - Communication in college about notices or instructions needs to improve.
 - The office staff need to be more co-operative to the students.
 - More extra-curricular activities should be conducted
 - Need to focus on the field visit, especially for B.com. students.
 - Need to use of electronic media should be required in teaching process. Concepts should be illustrated properly with examples.
 - There should be more field visits for specialisation subjects.
 - Practical experience should be provided by the College which will help students in their real-life jobs.
 - The library is very well maintained and the staff is very supportive to students. It is performing an excellent job in providing study material to the under-privileged or less privileged portion of the society should be provided by the College which will help students in their real-life jobs.
-
- Teaching is good and college is active.

- The learning experience from Garware College is best. All teachers are good there teaching techniques are good.
- Provide the teaching through e- learning, by using projectors also. Otherwise, I am satisfied with other teaching methods used by an institution.
- The teachers guide and help us in every single difficulty we face and guide us to success
 - Conduct more practical sessions, also introduction of new syllabus is necessary.
 - Best learning experience in Garware college. Enjoyed a lot ! Thanks for quality education.
 - Digital learning can be more prompted by college
 - I got a good facility in college campus. So i don't think so that there is any need to improve facilities in the college.
 - The college staff is very helpful and coordinating. The professors are intellectual and speak and write what they want the students to learn.
 - I have enjoyed college teaching life and memorable memories in our MES Garware college of commerce.
 - Our teachers were teaching excellently Good.
 - Along with academic knowledge practical knowledge is given by teachers.
 - Teaching through various examples for better understanding.
 - I really feel grateful that I chose GARWARE COLLEGE OF COMMERCE.
 - This college help me learn new things.
 - Teachers in this college always support the students.
 - According to me i don't think there should be any changes as everything related to the academics is absolutely perfect.
 - Conduct the extra lecture regarding students future Carrier which means inspirational lectures.

- The Institute is very nice but all teachers are not equally guidance to all student. I request to Institute and all teachers please give to all student equally guidance
- Institute should provide drinking water facility in commerce building itself. field visits and practical experiences have to be increased. Occasions like send-off and other functions should be there.
- The administrative offices are like typical bureaucratic government offices where no regard is given to professional behaviour.
- The library is very well maintained and the staff is very supportive to students. It is performing an excellent job in providing study material to the under-privileged or less privileged portion of the society.
