Subject: Cordial Invitation as the guest speaker for a session on "Sports Entrepreneurship as a Business Opportunity"

Dear Sir,

Greetings from Entrepreneurship, Innovation & Start-Up Cell of MES Garware College of Commerce!

EIS-Cell is a dedicated platform for budding entrepreneurs, which nurtures the entrepreneurial talent among students and strives to convert them from job seekers to job creators. Every month we take up a theme and try to acquaint our students with business opportunities, innovative ideas and off-beat marketing strategies in that particular field.

This month we have selected the theme of 'Sports Entrepreneurship' and hence thought that you would be the best person to inspire and guide our students in this area. We would like to know your convenience and confirmation in this regard. In these days of Online Education due to the pandemic, we have thought of arranging for your webinar on our college Zoom Platform between 11.00 am to 12.00 noon. You could choose any suitable date among 5th Oct, 9th Oct or 10th Oct 2020.

Your experience and expertise in this field would, we believe, go a long way in acquainting our students with this relatively unthought area for entrepreneurship practices.

Once you convey the suitability of the proposed program from your side, I will be extending a formal invitation on behalf of the college.

Though your experience and expertise are invaluable, our college usually offers an honorarium of Rs. 2000/- to guest speakers, which will have to be paid online too. Hence, I would request you also to provide us your bank details as the attached proforma.

We look forward to your affirmative response.

Thank you.

Regards,

Dr. Archana Joshi

Sub: Cordial Invitation to be a judge for our Ideation Challenge 2020

Dear Sir,

Greetings from Entrepreneurship, Innovation & Start-Up Cell of MES Garware College of Commerce!

It gives us immense pleasure to invite you to judge our Business Idea Competition – the Ideation Challenge 2020. We are thankful to your unassuming affirmation for the same all along.

Every year, EIS-Cell celebrates a week-long set of activities together called Indovention and such a Business Idea Competition is a part of the same.

This year, the pandemic has taken its toll on some of our activities resulting in a significant cut on our Indovention event. Yet, in an effort to keep things alive, we are going to have two small yet powerful events on 21st Dec 2020 - Padma Bhushan Dr. Abasaheb Garware Smriti Din that we annually commemorate.

1. The inauguration of our E-Commerce website of the yester year's Campus Company at the hands of Hon. Prin. Dr. Geeta Acharya at 11.30 AM followed by
2. The Ideation Challenge 2020

Both these events would take place online one after the other but through two different Google Meets, the links for which will be shared with you on the day of the event. Dr. Anand Godse, from deAsra, will be judging the event along with you. The competition presentations will be followed by a break of 15-20 minutes for both of you to finalize the results and we will meet again at the end to declare the results.

We look forward to your affirmation and assuring online presence all along the vents of the day.
