**2.3.2 Teachers use ICT-enabled tools including online resources for effective teaching and learning:**

During the pandemic, the college equipped the teachers and the students for the online learning and teaching process. Teachers used various online resources and tools like Webinars, Google classrooms, Digital textbooks/reference books on Kopy Kitab for the teaching-learning process. Further, on the Miniweb the educational material and information was displayed for the students to have thorough information about the curriculum. Having the official Youtube channel enabled conduct of webinars and guest lectures by stalwarts. College installed projectors in all the classrooms with separate internet connection and smart board for blended learning programs, so that the latest information, access to multimedia content such as videos, live presentations, could be accessed. Such an interactive interface motivated students to acquire continuous knowledge. Along with the traditional library, the college made available the digital library for students and teachers to access the multiple e-resources. Journals, magazines, e-books are available in the database for the benefit of the research students.
