EX-NCC YOGDAN 2021

Exercise NCC Yogdan was a volunteering based nation-wide duty platform offered by DG NCC to fight against Covid-19 pandemic. Only Senior Division cadets above the age of 18 had volunteered. NCC cadets were temporarily deployed to assist various Government authorities in their duties. Cadets were trained in order to ensure their own safety during the deployment. An online education platform called 'DIKSHA Portal' was launched to educate the NCC cadets about the safety protocols and operational procedures. Cadets were given all the safety equipment and were given preference in the process of immunization.

Following are the duties performed by NCC cadets. :

- Distribution of relief materials.
- Distribution of medicines.
- Providing assistance to medical staff during immunization.
- Traffic management..

Department of NCC of our college had actively participated in this initiative. The head of the NCC department **Lt. Bhushan Rathod and 23 cadets** were deployed to various government recognized vaccination centers for providing assistance to medical staff in PMC and PCMC administered area. The deployment started from 10th June, 2021 with **7 cadets** being deployed at Pandit Deendayal Upadhyay School, Sant Tukaram Nagar, PCMC. Following this deployment the strength was increased to 23 cadets as the immunization process was sped up by the Government with a responsibility of 2 prominent vaccination centers in the same area. At the vaccination centers; cadets performed duties like crowd management, providing information to beneficiaries about vaccines, distributing tokens, registration and verification of documents and resolving disputes peacefully to streamline the process of immunization. On an average, cadets used to handle around 300-400 people daily.

This activity was one of the most selfless tasks performed by our cadets with a motivation to fight against Covid-19 and to serve the community in the best possible way. The cadets had served for nearly two months in a potentially high-risk zones without expecting anything in return. It would not be wrong to say that the Exercise NCC Yogdan was run by cadets and their courageous parents as it was really difficult for cadets to manage studies and perform duty as well as the parents who showed tremendous courage to send their son / daughter in Covid-19 affected zones.

Exercise NCC Yogdan was complete success in a view point of the Government authorities, the beneficiaries and the NCC cadets. NCC cadets were exposed to various practical experiences of time management, resource management, mob management, teamwork and sense of duty as to render selfless service to the nation.

Dear Citizens,

As father of our Nation, Mahatma Gandhi said, "Our ability to reach unity and diversity will be the beauty and test of our civilization."

During the freedom struggle, poor Indian whose mind was fogged in clouds and hears him in the wind ideas were changing, now it was filled with the ralties against British Raj, singing melodies of freedom.

शरफरोशी की तम-ना अब हमारे दिल में है
देखना है जोर कितना, बाजुरों बगतिल में है।

and who has seen the future? It seems so far enough.

We won the freedom on 15th August, 1947.

We shall pledge today of being highly responsible and well-educated citizens of India.

With these greetings, I would like to wish each and every citizens of India,
