AQAR 2021-22

Indicator 7.3.1: Highlight the performance of the institution in an area distinct to its priority and thrust:

Commendable performance by Students in Sports events and Cultural Activities

The year 2021-22, has been a year full of continued challenges of Online education in the first term and excitement at opening of the physical campus in the second term.

The physical opening up of the campus in the second term was welcome by the students, teachers and the admin staff alike. The most enjoyable part of this new normal was the way the students could now participate in physical activities of various sports and games and cultural fests. After a gap of almost two years when the playgrounds and the theatre spaces opened, our students have proven that they haven't let their abilities get rusted meanwhile.

In the Academic year 2021-22, total 165 students participated in 18 different intercollegiate Zonal Sports events organized by SPPU and won several Individual medals (7 Gold, 7 Silver & 3 Bronze) as well as three Team events. Total 9 students were selected for All India Inter University Level events and at this National level also they bagged 2 Golds, 5 Silver and 3 Bronze medals. One of our students also represented the country at the ISSF Junior World Championship Shooting Competition held at Lima, Peru and won a Bronze Medal.

Similarly, students exhibited meritorious performance in the prestigious Firodiya Karandak – the intercollegiate one-act play competition that seeks to simultaneously evaluate various visual and performing arts. The college team got selected for the final round and bagged the overall third team prize along with individual prizes for Direction, special effects event, instrumental music, group dance as well as acting. The Dance crew of the college also bagged second prize at the prestigious Arohan Dance Competition organized by MIT College.

The College is proud of the exemplary meritorious performances of its sportspersons and students interested in various performing arts.
