In today's technology-driven world, commerce students require a blend of business knowledge and digital skills to succeed in their careers. The following courses aim to equip students with essential computational tools and software that are critical in various commercial fields such as finance, marketing, data analysis, and business management. By introducing these courses, students will gain both technical proficiency and an understanding of how to leverage technology in commerce.

In order to provide these courses an MOU was signed by the college with IIT Bombay. Under this collaboration following courses were provided to students through Spoken Tutorial Project of IIT Bombay. After successful completion of the course students were offered certificates by IIT Bombay.

No.	Course	Duration	Eligibility
1	Introduction to Computer	15-45 hours	FYB.Com, FYBBA, FYBBA IB, FYBBA CA and FYBBA D&I
2	Firefox Browser	15-45 hours
