Day and Date	Time	No. of Participants
Friday 15 th January 27	4:30 pm to 5:15 pm	10
Saturday day 16 th January 27	9:30 am to 10:15 am	10

1. Presentation Time

- Each presenter will be allotted **6 minutes** in total.

2. Evaluation Criteria

Judges will assess each paper presentation based on the following parameters:

Criterion	Description
Originality	Novelty of the research idea, approach, or findings.

Criterion	Description
Innovation / Contribution	Creative solutions, new perspectives, or unique contributions.
Applicability	Relevance to the conference theme and potential for real-world application.
Overall Presentation	Clarity, confidence, time management, and engagement with the audience.

Note: Best Paper Awards will be declared to the first 5 papers —two for online presenters and three for offline presenters. The awards will be announced during the Valedictory Session.
